#### About Basketball Australia

Basketball Australia (BA) is the national governing body for one of the country's fastest-growing and most-loved sports. In partnership with our State and Territory member associations, we lead, develop and promote the game from grassroots participation through to our world-class national teams - the Boomers, Opals, Rollers, Gliders and 3x3 programs.

With the launch of our new 2025–2028 Strategic Plan, our ambitious Basketball 2040 Vision, refreshed BA Values, Innovate RAP (2024–2026), and Women & Girls Strategy, BA is entering a period of significant growth and momentum. Our mission is simple and powerful: for basketball to be Everybody's Game.

All employees are expected to role model our Values of Belonging, Safety, Leadership, Excellence & Teamwork, they are at the core of how we go about representing ourselves, how we treat each other and underpin all we do.

## **Child Safeguarding**

- Basketball Australia is committed to providing children and young people with a positive and enriching environment that promotes their social, physical, or emotional development. We are committed to safeguarding children through the National Integrity Framework and the Child Safe Policy and ensuring young people in our care feel safe and are safe.
- The National Integrity Framework and Child Safeguarding Policy can be accessed here <https://www.australia.basketball/about/governance/national-integrity-framework>
- We expect representatives of the organisation, regardless of their role or level of responsibility to support such an environment.
- As part of your duty, you must recognise that children and young people require special care and attention to feel safe and you will be committed to protecting and prioritising the safety of children and young people involved in Basketball programs and services.
- It is an inherent requirement of this role that the incumbent role holds and maintains relevant, current, Child Safety certification through a Working With Children or Vulnerable people Check
